Special Needs Adaptive program

Programs that you can register these days

1. Aquatics

(1) Description

This class is designed to introduce children with disabilities to the aquatic environment. This class will teach basic aquatic safety to the child and provide a fun and positive experience in the water. Based on the needs of the class parents may be asked to participate in class to help assist the instructor. For children ages 3 year to 12 years

(2) Date & Time

Sep 01 - Oct 20, 2018

Sat @ 11:20 AM-11:50 AM (30 minutes)

2. Gymnastics

(1) Description

This program is by physician/therapist referral only. This is a parent assisted class. Several of the obstacle courses help stimulate problem solving and critical thinking. We will be working on strength and gross motor skills as well as providing a great social environment for both parent and child

(2) Date & Time

Sep 01 - May 15, 2019

Wed @ 6:00 PM-6:55 PM (55 minutes)
